[www.ish24.com.au](http://www.ish24.com.au)

## COURSE OVERVIEW

The **Certificate IV in Emergency Response Coordination** is designed for individuals in the Resources and Infrastructure industries with current knowledge and experience in emergency response and rescue who are looking to advance their skill set within incident coordination and emergency response management. Ideal candidates for this course include Captains and Team Leaders of ER teams, ER Coordinators or Supervisors. This qualification reflects the role of ERT leaders who operate in a wide variety of contexts, which involve application of discretion and judgement in selecting equipment, services or contingency measures.

This qualification will focus on the following key concepts essential for effective incident management:

- Leadership and team motivation
- Emergency management planning
- Coordination of incident response
- Application of emergency response systems

## UNITS OF COMPETENCY

- BSBMGT401** Show leadership in the workplace
- RIIERR403E** Lead rescue teams
- RIIRIS401E** Apply site risk management systems
- PMAOMIR320** Manage incident response information
- PMAOMIR418** Coordinate incident response
- PUALAW001** Protect and preserve incident scene
- PUAAMS007** Coordinate search and rescue operations
- RIIERR401E** Apply and monitor emergency preparedness and response systems in surface operations
- RIIERR404D** Apply and monitor underground metalliferous mine emergency preparedness and response systems
- RIIERR405** Control emergencies and critical situations

## COURSE STRUCTURE

This qualification is delivered over a 5-day intensive training program which focuses predominantly on hands-on activities and team-based exercises.

Assessments will be based on a combination of independent activities as well as team-based exercises.

Learners will also be required to complete pre and/or post training activities in their own time.

<b>DURATION</b>	5 days face to face Additional time required for independent study and assessments	<b>LOCATION</b>	ISH24 Rescue Training Centre Goornong, Victoria
